Hi John,

On behalf of the Manitoba Gun Dog Association I would like to thank you for the generous support you gave to the National Master that we hosted in August. Its support from sponsors like yourselves that help in making our event a huge success.

The competitors very much appreciated the water donation in the heat and the judges really enjoyed driving a vehicle that was big and roomie versus the match box I had last year in Ontario!

Thanks again and sorry for the delayed response.

Regards,

Dewayne
